IAG License Plate Mount For 2021+ Bronco Capable Bumper

**IAG License Plate Mount for 2021+ Bronco Capable
Bumper - Part Number: IAG-BDY-F1407**

Congratulations on the purchase of your IAG Mini Light Bar, and thank you for choosing IAG Off Road! These instructions are intended for users with basic mechanical skills. Professional installation is not required.

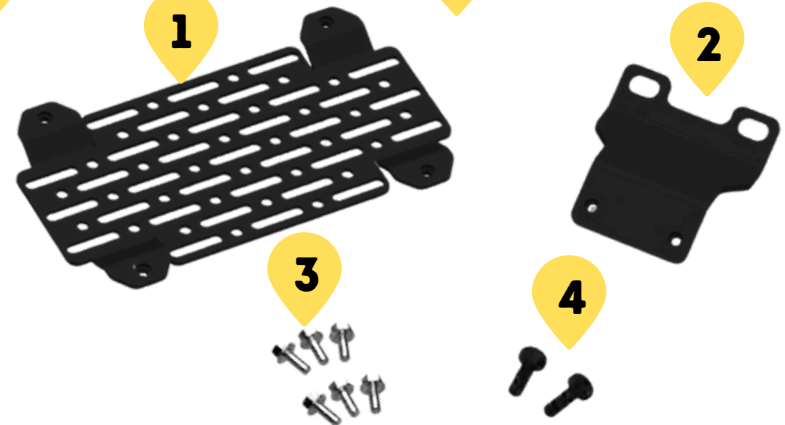

Product includes:

1 IAG License Plate Mount

2 IAG License Plate Bracket

3 (x6) 10mm Bolts

4 (x2) Torx 40 Bolts

Tools Needed:

Torx 45 Socket or Wrench
10mm Socket or Wrench

Step 1:

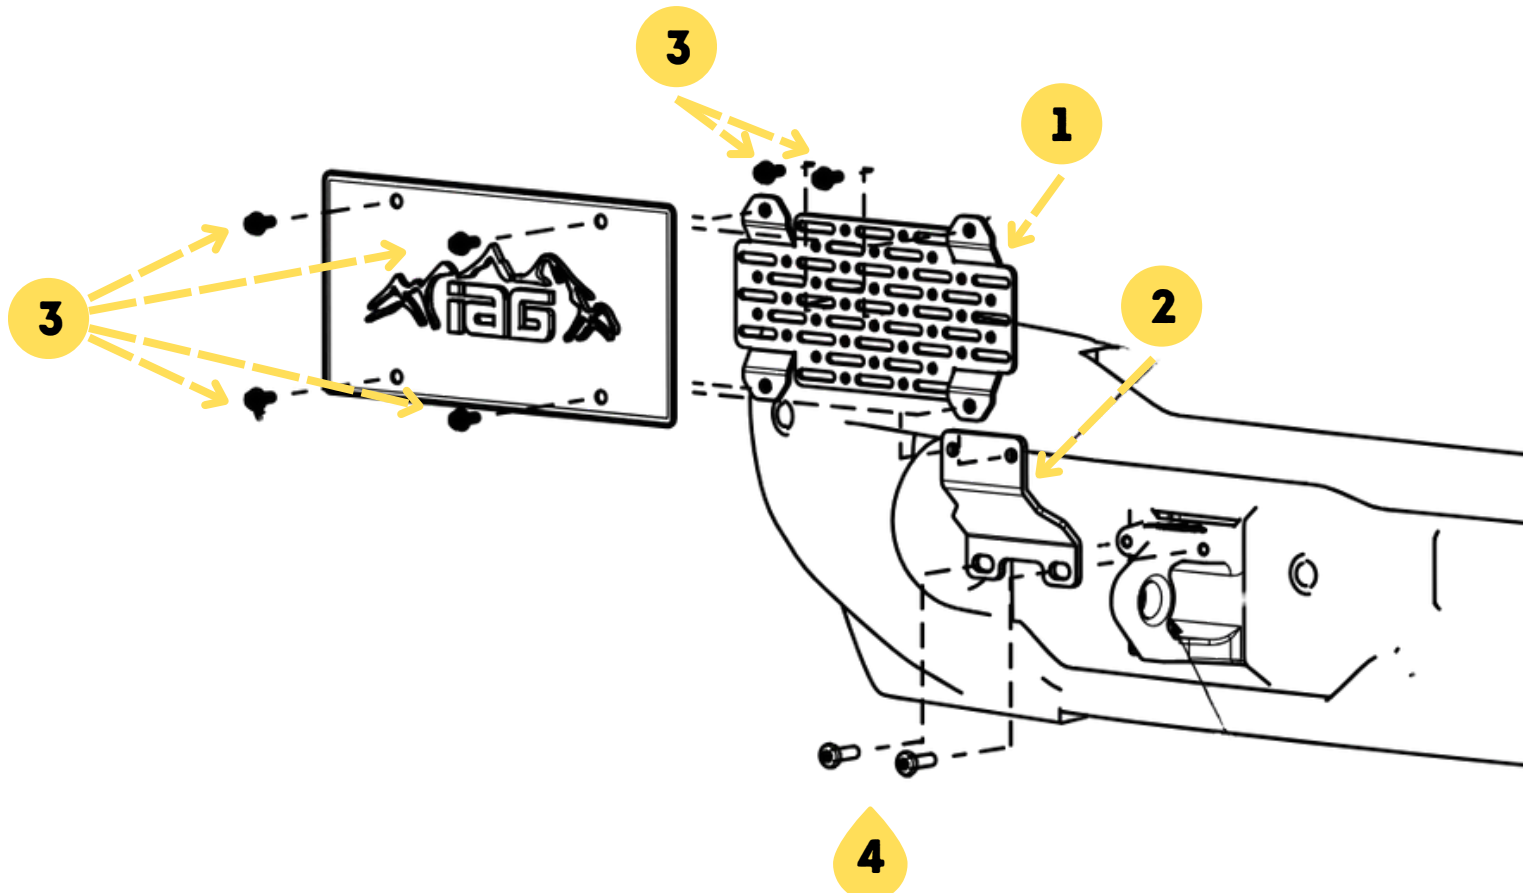

Install the License Plate Bracket onto the IAG Recovery Point using provided T45 Bolts.
(If Installing with Bull Bar or Light Bar, install license plate bracket on top)

Step 2:

Install the License Plate Mount onto the Bracket using provided 10mm Bolts.
(Adjust the mount so that it does not interfere with the parking sensors if equipped)

Step 3:

Install your license plate onto the mount using provided 10mm Bolts.

If you have any questions about the installation or product please contact
